

# ASPIRING MEDICS 2020

## An inspiring medical career programme for year 12 students

### Passionate about pursuing a career in medicine?

This programme aims to inspire our future medics to follow their career aspirations, highlight the vast opportunities within medicine and help gain places on their chosen university courses.

The programme will provide an insight into the medical profession through a series of structured activities including:

- Tailored workshops by medical experts
- Clinical placements including hospital and GP surgeries
- Introduction into the medical school application process including interview techniques
- Local Medical School visit

The programme will be available in the following locations:

**29th June - 3rd July / Lincoln**

**6th - 10th July / Grantham\***

**13th - 17th July / Boston\***

\* You will be required to travel to GP Practices within the area of the programme location and to the University of Lincoln on the final day.
