

## Lincolnshire Talent Academy Event Booking Form

The Lincolnshire Talent Academy is an umbrella body made up of health and care organisations within Lincolnshire.

One of the main aims of the Academy is to raise the awareness of the different career pathways and job opportunities available so that students can make informed decisions about their careers.

The Academy aims to achieve this through the delivery of career inspired activities and guidance at educational and recruitment events across Lincolnshire.

If you would like the Lincolnshire Talent Academy to attend a careers event that you are running please can I ask that you fill out this form. Due to clinical staff rotas we recommend a minimum of 6 weeks' notice from request to event.
